We would like 5th & 6th Grade students to keep some of these supplies on hand to use throughout the school year. Students do NOT need to bring two packages of loose-leaf paper and three dozen pencils to begin the year. (One packet of paper and one dozen pencils is plenty) As the year goes on your child will have supplies kept at home to be brought to school as needed. It is also a cost-saving measure to buy cheaper items now than to wait until later in the school year.
