They set the bar high and we are hopeful to hear today if any of our CMS Speech teams earned the coveted prize of Judge's Choice. Ms. Lewis will announce it when they are posted online. Judge's comments are posted across from the office door. Congratulations and wear that medal loud and proud. You earned it!

Weather: Students the temps are starting to drop. Recess will be outside until either the temps drop to low or the playground is completely covered in snow. This means you need to have a jacket, gloves, hats, etc. You will not be allowed to hang in the building because you are cold. Be prepared!

Deer Hunting: Only one day may be used as an "excused" absence. This one day must be prearranged with a note from a parent or guardian and a copy of your deer permit turned into the office at least 48 hours in advance of the day the student is to be absent. The student will receive a prearranged absence form that must be signed by all of the student's teachers. This form must then be returned to the office. All work for the day of absence must be turned into the teacher in advance.

Builders Club/Student Council: This week and next Monday, bring your Fall Harvest collection items to your homeroom. Student council reps, once they're collected please take them to
