

CARTHAGE

ELEMENTARY SCHOOL

District 317

Hello CMS Families,

01/22/2021

As you know, we have been placed in Phase 4. Mr. Snowden, our district athletic director, will be providing you with the details. But, there are a few things we want you to know.

1. This is all very 'day to day' and could easily change. We need to be mentally prepared for this.
2. There will be **no** spectators allowed at CESD hosted games/matches, as long as the "50-rule" is still in effect. If this changes, we can adjust. We will keep you posted.
3. Junior high volleyball is considered a "medium risk" sport and is allowed to practice and have games in Phase 4. Girls junior high volleyball will begin practice on Monday, January 25, 2021.
4. Junior high boys basketball is considered a "high risk" sport and is allowed to practice but not have games in Phase 4. $\frac{7}{8}$ grade boys basketball practice is tentatively scheduled to begin on February 1, but subject to change. No decision has been made on $\frac{5}{8}$ boys basketball as the scheduled season is nearing an end.
5. Junior high scholastic bowl is allowed to practice and have games in Phase 4. Scholastic bowl is currently practicing.
6. Our coaches and players will be required to follow all COVID safety protocols and procedures.
7. Please encourage your children to participate. Our students need extracurriculars for so many reasons.
8. Please have your student's sports physical turned into your coach and/or the middle school office. Please also complete the extra curricular registration forms located on the district website.
9. If you have specific questions, please contact your coach (listed below) or Mr. Snowden.
